

BUILD YOUR OWN ROB-ERT!

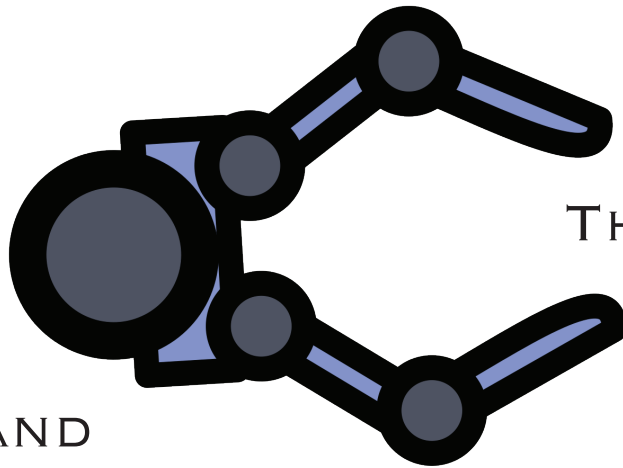

1 - CUT OUT ALL THE ROBOT PIECES YOU CAN FIND IN THE NEXT PAGES.

2 - FOR EACH ROUND JOINT, YOU HAVE TO MAKE A HOLE IN THE CENTER AND A HOLE WHERE YOU WANT TO JOIN IT.

3 - YOU CAN CREATE A JOINT BY PUTTING THE TIPS OF THE BRADS THROUGH THE TWO HOLES.

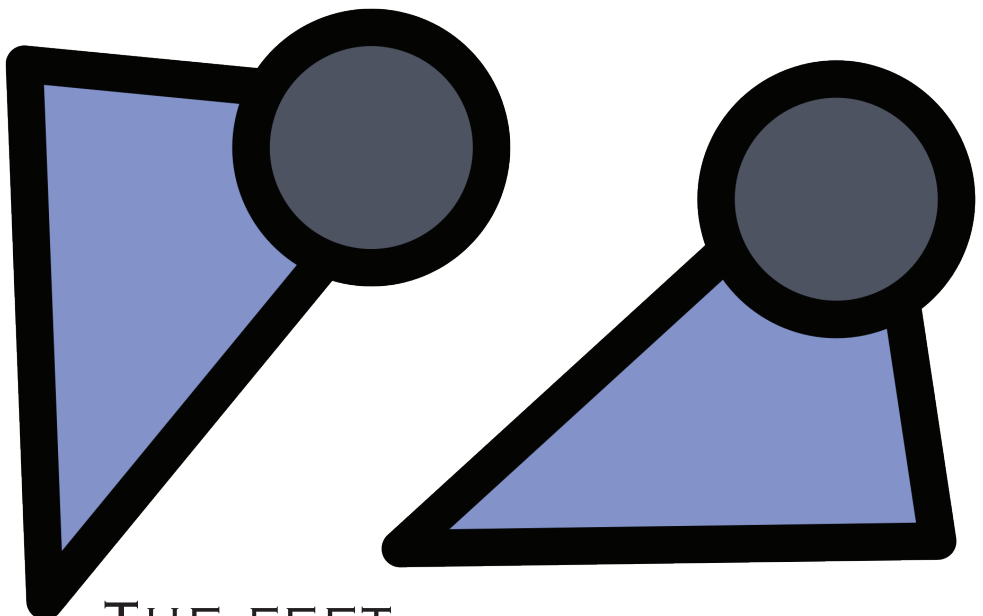

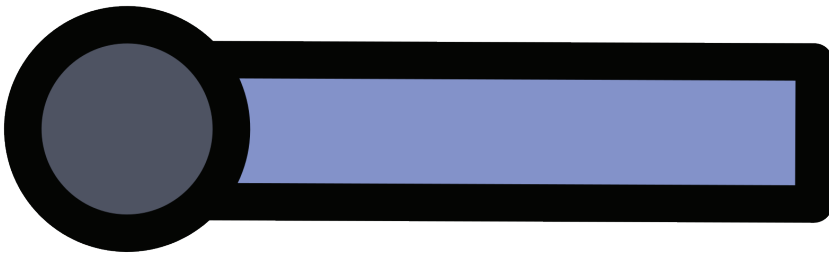

4 - IF YOU WANT ROB-ERT TO HAVE ANOTHER ARM, YOU CAN DRAW YOURSELF THE MISSING PIECES.
